*25th Anniversary
Class of 1936
North Side High School*

To the Class of "36"

By Mildred Bojinoff

**Friendships flourished and friendships grew,
Beneath The Dome as we passed through.**

**Majestic by the stream we sang,
While cheering the (Redskins) with the gang.**

**Though years have come and years have gone,
Still many friendships linger on.**

**And when we meet we reminisce,
Of days gone by and yesteryear,
And all good times we hold so dear.**

**So to the Class of "36,"
Good fellows, one and all,
May future years bring happiness,
Fond memories to recall.**
